Click on History > History

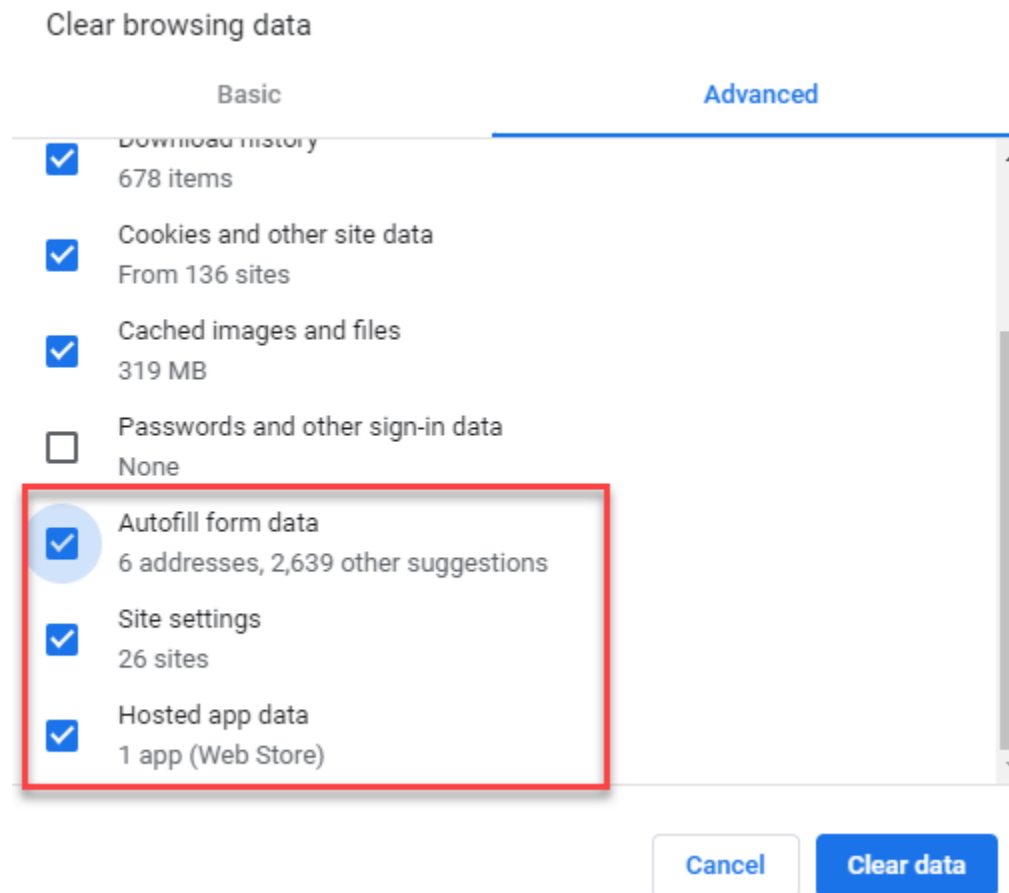

Click on Clear Browsing data

Update the Time Range if needed (select All Time)

Click on the Advanced tab
Scroll down
Select the Autofill form data
Select Site Settings
Select the Hosted app data.
Click on the Clear Data Button

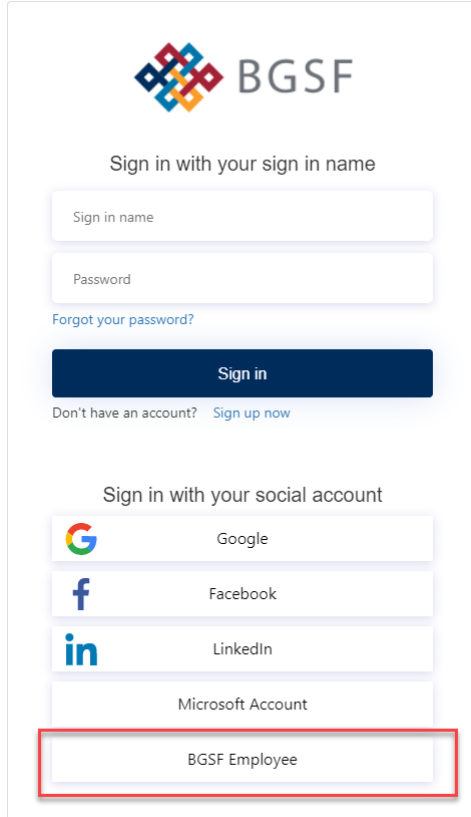

Close the browser
Launch Google Chrome

Click on the Dayforce SSO Link again

<https://sso.dayforcehcm.com/BGSF>

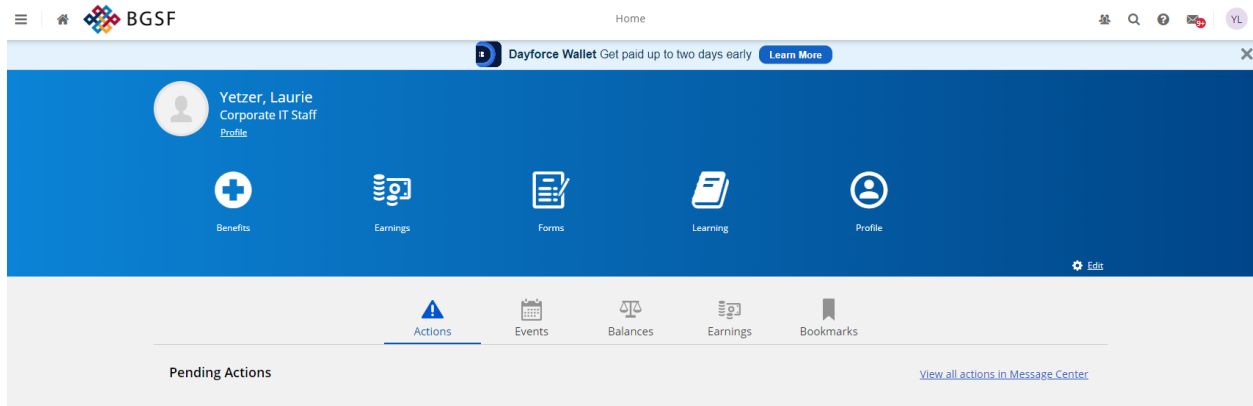

Select the BGSF Employee

The image shows the BGSF login page. At the top is the BGSF logo. Below it is the text "Sign in with your sign in name". There are two input fields: "Sign in name" and "Password". Below these is a link "Forgot your password?". A dark blue "Sign in" button is present. Below the button is the text "Don't have an account? [Sign up now](#)".

Below the sign-in section is the text "Sign in with your social account". There are five buttons for social login: Google, Facebook, LinkedIn, Microsoft Account, and BGSF Employee. The BGSF Employee button is highlighted with a red rectangular border.

Log you into Dayforce

The image shows the Dayforce user dashboard for Laurie Yetzer, Corporate IT Staff. The top navigation bar includes the BGSF logo, the word "Home", and user initials "YL". A "Dayforce Wallet" banner is visible. The main content area features a profile card for Laurie Yetzer and five navigation icons: Benefits, Earnings, Forms, Learning, and Profile. A bottom navigation bar includes icons for Actions, Events, Balances, Earnings, and Bookmarks. The "Actions" section is currently active, showing "Pending Actions" and a link to "View all actions in Message Center".
